

# Missouri State Fleet Information System

## User's Guide

### MAIN MENU (Revised July 2006)

The main menu is organized into two sections:

- **Fleet Information Menu** (Data Input Screens)
  - Maintain all vehicles and driver data
  - View data on a specific vehicle
  - View vehicle utilization and cost totals
  - Fleet inquiry Screens
  - Reference Data (view table values)
- **OA Vehicle Maintenance Menu**
  - Repair Request for OA Vehicle Maintenance Facility
  - OA Vehicle Maintenance Staff Use
